SOL TRAIN 6-YEAR SOLERA

Monterey County

New name, who dis? That's right, we've changed the name of one of our most popular wines, the solera-style orange wine, which now is a blend of 6 vintages. This wine is one of my favorites to produce and bottle in a year and truly embodies what we sought to create when Folktale was established in 2015. At the time, Greg and Madigan had the foresight that this business would evolve over time and become far more integrated and dynamic as time went on – just like this wine. The Sol Train contains 6 of our 8 vintages, and we hope to continue this fun tradition for many years.

Produced from individual lots going back to 2017 – each was natively fermented in small batches and eventually blended into the final blend. Each year, we blend in the most recent vintage and bottle half of the blend, keeping the other for the next year's iteration. Notes of membrillo, banana, peach, almond husk, and pineapple are balanced well by smooth tannins and a dried apricot finish. This wine is an amazing food pairing choice, and it can take some foods with complex spice and aromatic profiles, such as Indian or Middle Eastern dishes.
