CARMEL, CALIFORNIA

2022 ESTATE PINOT NOIR

Arroyo Seco AVA, Monterey County

Monterey County is known for its natural beauty, maritime-influenced weather, and rich and diverse soils. Combining these creates the perfect growing conditions for grape varieties that thrive in this region's fog and pureness. Pinot Noir is one of the most famous varieties and has gained worldwide acclaim. Our latest Pinot Noir features sustainably grown fruit from Mission Ranch Vineyard, sitting adjacent to the Santa Lucia Highlands. The grapes were natively fermented in small batches and aged in neutral French oak to allow the wine to reveal itself.

Rose petals, potpourri, plum, strawberry, and dark cherry floral notes, with spice leather and a soft minerality. This wine, with just the right amount of soft tannin from the fruit to balance the fruit on the nose, is a true embodiment of the classic Monterey-style Pinot Noir. Pair this with local mushrooms or some BBQ to experience the essence of Monterey's wine culture.

Alc. by Vol.: 14.2%

pH: 3.64

TA: 6.3 g/L
