## 2022 TALKING ANIMALS PÉTILLANT-NATUREL

### WINEMAKER'S NOTES

Petillant Natural is a natural sparkling wine using the ancestral method. Bottled just before the primary fermentation finishes, the natural effervescence and sediment are the evidence of things finishing in the bottle. This wine continues to be one of our most popular and does a great job of turning people onto the amazing style of Pet Nat. Grenache Blanc was again used, but this time, it was joined by Riesling and Chardonnay and bottled at the end of October. The wine is bright, with notes of green apple, banana cream pie, grapefruit blossom, and undertones of guava and pineapple. The palate is lively and fresh, benefitting from the abundance of bubbles and bright acidity. Like many sparkling wines, this one will work fantastic with salty foods, appetizers, or even spicy Chinese food. Serve cold, and enjoy.

**Appellation: Monterey County**

**Alc. by Vol.: 12.4%**
