CARMEL, CALIFORNIA

## 2022 ESTATE CHARDONNAY

### *Monterey County*

Monterey County is known for its cool summer weather caused by fog that forms over the Pacific Ocean. This cool maritime influence allows varieties like Pinot Noir and Chardonnay to grow so well here and go toe to toe with the world's best wine regions. Our 2022 Estate Chardonnay was picked by hand, and the juice was fermented and aged in French oak (15% in new French oak Puncheons – 500L) for nine months. The wine is juicy and creamy, with bright lemon acidity, toasted bread, marshmallow, and pineapple candy.

This Chardonnay hits a sweet spot with balance, keeping things fresh and lean while having a richer and more complex structure to pair with many dishes such as Salmon, buttersauce dishes, crab, lobster, and Vietnamese food.

***Alc. by Vol.: 13.4***

***pH: 3.57***

***TA: 5.2 g/L***
