

FOLKTALE

WINERY & VINEYARDS

CARMEL, CALIFORNIA

2023 ROSÉ

Arroyo Seco AVA, Monterey County

The 2023 Folktale Rosé is once again composed of 100% Pinot Noir from our beautiful Salinas Valley. Pinot Noir makes for a great rosé with high acid and a floral nose. Grapes were hand harvested between Sept 21 and Oct 4 and pressed upon arrival at the winery, giving us a tinge of pink color from the short time the juice was left with the skins. From there, the fermentation took place in both stainless steel for freshness and aroma (68%) and neutral French oak for texture on the palate (32%). Once fermentation finished, the individual lots were blended and bottled in early December.

Light salmon color, this rose has bright rose petals, strawberries, kiwi, honeysuckle, apricot aromas, and tropical fruit undertones. The wine has a beautiful sweetness from the fruit but plenty of acid to hold it up. This is the perfect picnic or poolside companion this summer.

Alc. by Vol: 13.2%

pH: 3.26

TA: 7.1 g/L
